- 1. Login to VECCS Member's Only home page
- 2. Click on "MEMBER HOME"
- 3. Scroll down and click "VIEW VECCS/VIN WEBINARS"
- 4. To view past webinars, click "LIBRARY"

## LIVE WEBINAR VIEWING INSTRUCTIONS:

VECCS members who are currently VIN/VSPN members may use their VIN/VSPN username and password to access the webinar at <a href="http://www.vin.com/veccs">http://www.vin.com/veccs</a>

VECCS members who are not members of VIN/VSPN do not need to be members of VIN/VSPN to participate. If you have not previously set up a username and password for a prior VECCS webinar or a VIN hosted content or proceeding please contact <a href="registration@vin.com">registration@vin.com</a> by close of business on the Friday before the webinar. In that email please include your full name and contact information should we have questions or a need to technically support your attendance in the webinar.

If you have a username and password and are still unable to access at <a href="http://www.vin.com/vec\_please">http://www.vin.com/vec\_please</a> email <a href="mailto:registr">registr</a> ation@vin.com

for support, including in that email what error message your receive.
